

SLOUGH BUILDING CONTROL

Your building work

Cert no. 16180-QMS-029

You've applied for planning permission or prior approval. What's the next step?

Get your Building Regulations Approval

Fill in the application form online at www.slough.gov.uk/planning-and-building-control/building-regulations.aspx

Make your payment over the phone on **01753 875810**

Let your builders know they can start work **48 hours** after the application is submitted

Book your inspections through our booking line on **01753 875810** or **download our app at www.labc.co.uk/app**

We will inspect your project

Our locally based surveyors will carry out inspections to approve your building work between **10am-3pm**

Our surveyors will provide your builders with site progress reports so you are kept up to date

The council will sign off your project and SBC building control will issue a completion certificate

Help or advice for builders and homeowners

We can provide immediate advice to your builders if they need it, throughout your project.

They can have inspections on the day they call for a booking as long as they call before **9.45am**.

Contact us

For more information or help with your application please call us on **01753 875810**. **No call centres - you'll be able to speak to a member of our team**

Important information

("The small print")

You should not start building work until you have either obtained the planning permission/prior approval or ascertained that the work is permitted development.

Please also ensure any party wall act matters are resolved before you start building.

Note: Please ensure your Building Regulations application is submitted before any work starts.
